

SLFRF Compliance Report - SLT-1806-P&E Report-Q1 2022

Report Period : Quarter 1 2022 (January-March)

Recipient Profile

Recipient Information

Recipient UEI	MALYJ97YANE5
Recipient TIN	316000064
Recipient Legal Entity Name	City Of Cincinnati, Ohio
Recipient Type	
FAIN	
CFDA No./Assistance Listing	
Recipient Address	801 Plum Street Room 152
Recipient Address 2	
Recipient Address 3	
Recipient City	Cincinnati
Recipient State/Territory	OH
Recipient Zip5	45202
Recipient Zip+4	
Recipient Reporting Tier	Tier 1. States, U.S. territories, metropolitan cities and counties with a population that exceeds 250,000 residents
Discrepancies Explanation	
Is the Recipient Registered in SAM.Gov?	Yes

Project Overview

Project Name: Revenue Replacement

Project Identification Number	ARP052
Project Expenditure Category	6-Revenue Replacement
Project Expenditure Subcategory	6.1-Provision of Government Services
Status To Completion	
Adopted Budget	\$17,100,000.00
Total Cumulative Obligations	\$17,100,000.00
Total Cumulative Expenditures	\$11,814,612.59
Current Period Obligations	\$11,814,612.59
Current Period Expenditures	\$11,814,612.59
Project Description	To provide fiscal stability to governmental funds that experienced a loss of revenue due to the COVID-19 pandemic.

Project Name: Neighborhood Activation Fund

Project Identification Number	ARP028
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.34-Assistance to Impacted Nonprofit Organizations (Impacted or Disproportionately Impacted)
Status To Completion	Not Started
Adopted Budget	\$2,000,000.00
Total Cumulative Obligations	\$2,000,000.00
Total Cumulative Expenditures	\$1,000,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$1,000,000.00
Project Description	Responding to the negative economic impacts of the COVID-19 pandemic through aid to non-profit neighborhood organizations is the goal of the Neighborhood Activation Fund (NAF). Eligible applicants will consist of community councils, community business associations, community development corporations, and other neighborhood serving not-for-profit entities who apply for assistance through a competitive Request for Proposals (RFP). Funds will be utilized to support neighborhood non-profit organizations and their neighborhood of activity and will alleviate the issues created by the COVID-19 public health emergency within the organization and its neighborhood(s) of service.

Project Name: Neighborhood Activation Fund

Project Identification Number	ARP017A

Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.34-Assistance to Impacted Nonprofit Organizations (Impacted or Disproportionately Impacted)
Status To Completion	Completed less than 50%
Adopted Budget	\$710,000.00
Total Cumulative Obligations	\$710,000.00
Total Cumulative Expenditures	\$85,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$85,000.00
Project Description	Responding to the negative economic impacts of the COVID-19 pandemic through aid to non-profit neighborhood organizations is the goal of the Neighborhood Activation Fund (NAF). Eligible applicants will consist of community councils, community business associations, community development corporations, and other neighborhood serving not-for-profit entities who apply for assistance through a competitive Request for Proposals (RFP). Funds will be utilized to support neighborhood non-profit organizations and their neighborhood of activity and will alleviate the issues created by the COVID-19 public health emergency within the organization and its neighborhood(s) of service.
What Impacted and/or Disproportionately Impacted population does this project primarily serve?	8 Imp SBs that experienced a negative economic impact
Secondary Impacted and/or Disproportionately Impacted populations	10 Imp NPs that experienced a negative economic impact specify
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The program will respond to the negative economic impacts to the COVID-19 pandemic through aid to non-profit organizations and small businesses and will build stronger neighborhoods by providing services to disproportionately impacted communities through development of affordable housing. Aid to small businesses may include both direct support to the business as well as support to enhance outdoor spaces for COVID-19 mitigation (e.g. restaurant patios).
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Priority will be given to applicants in the Qualified Census Tracts or hardship industries as defined by the US Treasury but other qualifying projects may be awarded to businesses disproportionately impacted by the pandemic. Further preference will be given to applicants located within the Neighborhood Business Districts as defined by the City. Neighborhood Business District infrastructure must have all funding sources in place and signed agreements from private property owners if needed.
Number of Non-Profits served (by program if recipient establishes multiple separate non-profit assistance programs)	0

Project Name: Hazard Pay

Project Identification Number	ARP053
Project Expenditure Category	4-Premium Pay
Project Expenditure Subcategory	4.1-Public Sector Employees

Status To Completion	Completed
Adopted Budget	\$3,800,000.00
Total Cumulative Obligations	\$3,800,000.00
Total Cumulative Expenditures	\$3,793,000.00
Current Period Obligations	\$3,793,000.00
Current Period Expenditures	\$3,793,000.00
Project Description	For the purpose of providing additional compensation to employees during the COVID-19 pandemic.
Sectors Designated as Essential Critical Infrastructure Sectors	Any work performed by an employee of a State, local, or Tribal government
Number of workers to be served	4,087
Premium Pay Narrative	Forthcoming.
Number of workers to be served with premium pay in K-12 schools	0

Project Name: SCLC Rites of Passage Summer Camp

Project Identification Number	ARP071
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.11-Healthy Childhood Environments: Child Care
Status To Completion	Completed
Adopted Budget	\$30,000.00
Total Cumulative Obligations	\$30,000.00
Total Cumulative Expenditures	\$30,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$15,000.00
Project Description	The SCLC Rites of Passage Summer Day Camp ("Day Camp") is a community-based, free summer day camp that supports youth in the Evanston neighborhood of Cincinnati, Ohio where 88.4% of the children live at or below poverty level and have been disproportionately impacted by the COVID-19 pandemic. The Day Camp will serve 30 local youth during a 9-week program starting on June 8, 2021. Most youth attending the Day Camp live in the Evanston neighborhood, and within walking distance of the Day Camp program, 100% of the children attending the Day Camp come from low-income households and the majority are African American.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Is a program evaluation of the project being conducted?	No

Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The Day Camp will provide these youth with activities that address social-emotional needs, physical fitness, and academic enrichment to address the social, physical, and learning losses resulting from distance learning, social Isolation, and a lack of after-school enrichment program opportunities during the COVID-19 pandemic.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Service Provider's services help mitigate the educational disparities created or worsened by the Covid-19 public health emergency. And, provides services to mitigate the risk of long-term harms to children's' future economic outcomes cause or worsened by the Covid-19 public health emergency.

Project Name: UC Medical Center EMS Canopy

Project Identification Number	ARP075
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.4-Prevention in Congregate Settings (Nursing Homes, Prisons/Jails, Dense Work Sites, Schools, Child care facilities, etc.)
Status To Completion	Not Started
Adopted Budget	\$1,000,000.00
Total Cumulative Obligations	\$1,000,000.00
Total Cumulative Expenditures	\$1,000,000.00
Current Period Obligations	\$1,000,000.00
Current Period Expenditures	\$1,000,000.00
Project Description	Expansion of EMS Canopy to better address ongoing COVID-19 cases. Project to include decontamination capabilities, installation of negative airflow rooms, and build out of critical care for mass casualties.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$1,000,000.00
Type of capital expenditures, based on the following enumerated uses	Medical facilities generally dedicated to COVID-19 treatment and mitigation

Project Name: Minority Business Accelerator/Ascend

Project Identification Number	ARP018
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.30-Technical Assistance, Counseling, or Business Planning
Status To Completion	Completed less than 50%
Adopted Budget	\$2,500,000.00
Total Cumulative Obligations	\$2,500,000.00
Total Cumulative Expenditures	\$2,500,000.00
Current Period Obligations	\$2,500,000.00
Current Period Expenditures	\$2,500,000.00

Project Description	Minority business accelerator which supports black-owned businesses by providing staffing, accounting, human resources, financial coaching, and other technical assistance. These resources are necessary to address business hardships and counter substantial financial losses brought about due to COVID-19.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	9 Imp Classes of SBs designated as negatively economically impacted
Secondary Impacted and/or Disproportionately Impacted populations	23 Dis Imp SBs operating in the U.S. territories
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	To respond to the devastating and disproportionate impact of COVID-19 on segments of the business community, Lincoln and Gilbert will design and carry out two (2) distinct support programs: Capacity Building Assistance and Business Relief Grants.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Assistance for small businesses or non-profits who face significant challenges in covering payroll, mortgages or rent, and other operating costs as a result of the Covid-19 public health emergency and measures taken to contain the spread of the virus.
Number of small businesses served (by program if recipient establishes multiple separate small businesses assistance programs)	0

Project Name: Clifton Cultural Arts Center (CCAC) Operational Costs

Project Identification Number	ARP012
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.24-Addressing Educational Disparities: Aid to High-Poverty Districts
Status To Completion	Completed 50% or more
Adopted Budget	\$650,000.00
Total Cumulative Obligations	\$650,000.00
Total Cumulative Expenditures	\$325,000.00
Current Period Obligations	\$650,000.00
Current Period Expenditures	\$325,000.00
Project Description	This program will provide operational funding to CCAC to support of service delivery and community programming. The program will be focused on counteracting the negative impacts of COVID-19, including the impacts of the pandemic youth education, cultural enrichment, and community relationships.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	6 Imp For services to address lost instructional time in K-12 schools
Secondary Impacted and/or Disproportionately Impacted populations	2 Imp Low or moderate income HHs or populations
Tertiary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Brief description of structure and objectives of assistance	The Education Recovery project will primarily focus on bringing free or reduced cost arts education experiences to

program(s), including public health or negative economic impact experienced	approximately 2,000 children enrolled in local schools as well as thousands of others throughout the neighborhoods of Uptown Cincinnati.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The COVID-19 pandemic caused prolonged school closures, resulting in periods of isolation, and reduced in-person instructional time for students. Even before the pandemic, the importance of and emphasis on Social-Emotional Learning (SEL) has increased as rates of teen suicide, social media, peer pressure and school violence exposed a mental health crisis in our schools.
National Center for Education Statistics ("NCES") School ID or NCES District ID. List the School District if all schools within the school district received some funds	032177, 011247, 033134, 036780, 016906

Project Name: Food Insecurities - La Soupe

Project Identification Number	ARP077
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.1-Household Assistance: Food Programs
Status To Completion	Completed
Adopted Budget	\$150,000.00
Total Cumulative Obligations	\$150,000.00
Total Cumulative Expenditures	\$150,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$75,000.00
Project Description	"These funds position La Soupe to address the region's sharp rise in food insecurity caused by the COVID-19 crisis. These funds will support La Soupe's coordination of a squadron of volunteers who pick food up from different retail, wholesale, packaging, and distribution locations, which are then distributed to local civic and social-services agencies."
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	5 Imp HHs that qualify for certain federal programs
Tertiary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	"Provide food services and assistance to households or populations facing negative economic impacts due to the Covid-19 pandemic. Accomplished by: rescue food from retail, wholesale, and processing locations; transform to meals at La Soupe Kitchen; share with people experiencing food insecurity by distributing through partner agencies."
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The city's sharp rise in food insecurity rates is directly connected to the public health and economic crises caused by the COVID-19 pandemic. La Soupe distributed meals through partner agencies also providing COVID-19 relief services.
Number of households served (by program if recipient establishes multiple separate household assistance programs)	41,000

Project Name: Food Insecurities - Last Mile

Project Identification Number	ARP076
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.1-Household Assistance: Food Programs
Status To Completion	Completed 50% or more
Adopted Budget	\$50,000.00
Total Cumulative Obligations	\$50,000.00
Total Cumulative Expenditures	\$25,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	"Last Mile Food Rescue has seen an increased demand for its services due to COVID-19. Last Mile will use funds through ARP to support its mission to connect area Food Donors (restaurants, grocers) to local non-profits who serve Cincinnati's food insecure"
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	5 Imp HHs that qualify for certain federal programs
Tertiary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	"We work with food retailers, grocers, distributors, convenience stores and restaurants to rescue unsellable, but still edible, food. Our Food Recipients are those organizations which serve the community's food insecure including soup kitchens, homeless shelters, food pantries, school pantries, senior centers, YMCA day cares. Anyone with a valid driver license and car who has 60 minutes to spare, can volunteer. "
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	"We licensed a new technology (the Food Rescue Hero App), at a cost of \$52,000 dollars in 2020 that enables us to rescue our food. It's basically the equivalent of the UBER app for an UBER driver. It is a vital part of operations."
Number of households served (by program if recipient establishes multiple separate household assistance programs)	205,000

Project Name: Food Insecurities - Produce Perks

Project Identification Number	ARP078
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.1-Household Assistance: Food Programs
Status To Completion	Completed less than 50%

Adopted Budget	\$200,000.00
Total Cumulative Obligations	\$200,000.00
Total Cumulative Expenditures	\$100,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Produce Perks supports low-income residents receiving SNAP/EBT and P-EBT benefits with matching dollars that can be used to purchase fruits and vegetables. Increasing levels of unemployment as a result of COVID-19 have led to a growing demand for food security programming. ARP funds will assist Produce Perks to expand their program to meet the increase in demand from COVID-19.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	5 Imp HHs that qualify for certain federal programs
Tertiary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	"Nutrition incentive programming (Produce Perks, Produce Prescription?PRx) are evidence-based program models that increase food and nutrition security for low-income populations, improve health outcomes, and strengthen localized food systems. We serve eligible residents in every zip code of Cincinnati and are operational at over 20 unique locations. This includes farmers markets, farm stands, mobile markets, and small-business grocery retailers."
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	"Funding will directly support nutrition incentive program services for individuals and families experiencing economic hardship and food insecurity throughout Cincinnati; directly supporting fruit and vegetable purchases for eligible low-income individuals and households and increasing affordable access to healthy foods while supporting Cincinnati-based, small-business market retailers and farmers. "
Number of households served (by program if recipient establishes multiple separate household assistance programs)	500

Project Name: Outdoor Dining & Pedestrian Safety

Project Identification Number	ARP001
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.36-Aid to Other Impacted Industries
Status To Completion	Completed 50% or more
Adopted Budget	\$2,000,000.00

Total Cumulative Obligations	\$1,428,400.00
Total Cumulative Expenditures	\$1,428,400.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$1,428,400.00
Project Description	"A public infrastructure project is intended to support small businesses and enhance public safety during and after the COVID-19 pandemic by providing additional outdoor capacity to facilitate social distancing and safe, outdoor patronage. Additionally, the improvements are intended to increase pedestrian safety and promote use of the additional outdoor spaces to promote and active urban core that will support businesses, tourism, and other economic activity."
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$2,000,000.00
Type of capital expenditures, based on the following enumerated uses	Parks, green spaces, recreational facilities, sidewalks
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	12 Imp Travel tourism or hospitality sectors
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Parklets improvements to facilitate additional pedestrian and outdoor dining space, improvements to an outdated pocket park to improve safety.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Parklets and street closures providing outdoor dining opportunities and enhanced pedestrian safety; improvements to an outdated pocket park that addressed public safety concerns negatively impacting surrounding businesses; pedestrian safety benefits.
If aid is provided to industries other than travel, tourism, and hospitality, please describe if the industry experienced at least 8 percent employment loss from pre-pandemic levels, or the industry is experiencing comparable or worse economic impacts as the national tourism, travel, and hospitality industries as of the date of the Final Rule, and rationale for providing aide to the industry	NA

Project Name: 4C Child Care Startup Funding

Project Identification Number	ARP037
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.11-Healthy Childhood Environments: Child Care
Status To Completion	Completed less than 50%
Adopted Budget	\$1,000,000.00
Total Cumulative Obligations	\$1,000,000.00
Total Cumulative Expenditures	\$500,000.00
Current Period Obligations	\$0.00

Current Period Expenditures	\$0.00
Project Description	"4C for Children will use ARP funding to support the recruitment, coaching, and program coordination of local childcare providers to respond to the loss of quality childcare in the wake of the COVID-19 pandemic. The funds will be used to support 60 new childcare providers. As a component of the program , 4C will offer essential "start-up" trainings to new providers on how to run successful, licensed child-care operations."
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	13 Imp Industry outside the travel tourism or hospitality sectors specify
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	A major consequence of COVID-19 for working families has been the sudden lack of childcare as organizations including schools, daycares, after school programs, recreation centers, and camps, among others, shut down or became virtual to mitigate the spread of COVID-19. Children and their parents and guardians, continue to find themselves in hardship as a result. New or expanded high-quality childcare to provide safe and supportive care for children is an important part of COVID-19 recovery.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	New or expanded high-quality childcare to provide safe and supportive care for children is a direct response to COVID-19 by promoting healthy childhood environments.
If aid is provided to industries other than travel, tourism, and hospitality, please describe if the industry experienced at least 8 percent employment loss from pre-pandemic levels, or the industry is experiencing comparable or worse economic impacts as the national tourism, travel, and hospitality industries as of the date of the Final Rule, and rationale for providing aide to the industry	NA

Project Name: Performing Arts Support Grants

Project Identification Number	ARP004
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Completed 50% or more
Adopted Budget	\$7,000,000.00
Total Cumulative Obligations	\$7,000,000.00
Total Cumulative Expenditures	\$7,000,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
	"Performing Arts Support & Events: ArtsWave will design and carry out an economic support program for eligible nonprofit arts and cultural organizations. ArtsWave shall

Project Description	administer the distribution of operational relief and project grants that rebuild Cincinnati's performing arts sector in the wake of \$100M+ in lost revenue and a year of shuttered venues, and that restore arts vibrancy to our neighborhoods through public performances and events."
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	12 Imp Travel tourism or hospitality sectors
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	To respond to the devastating impacts of COVID-19, ArtsWave will design and carry out two distinct support grant programs: Operating Relief Grants to Arts Organizations and Public Performance/Events Grants.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Aid to impacted industries: provide services to industries disproportionately affected by the COVID-19 public health emergency including tourism, travel, and hospitality industries.

Project Name: CVB

Project Identification Number	ARP022
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Not Started
Adopted Budget	\$1,700,000.00
Total Cumulative Obligations	\$1,700,000.00
Total Cumulative Expenditures	\$1,700,000.00
Current Period Obligations	\$1,700,000.00
Current Period Expenditures	\$1,700,000.00
Project Description	"This operating grant is proposed to fund operations and promotional activities that will assist in the economic rebound of the City's economy from the negative economic impacts of COVID-19. Funding will help Cincinnati to accelerate the return of conventions, events, and tourism to our region."

Project Name: Restaurant Grants Phase II

Project Identification Number	ARP002
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Completed 50% or more
Adopted Budget	\$4,000,000.00
Total Cumulative Obligations	\$4,000,000.00
Total Cumulative Expenditures	\$4,000,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
	"Food and beverage establishments are critical drivers of the City of Cincinnati's hospitality and tourism industries?supporting other businesses such as hotels and

Project Description	convention activities. COVID-19 forced permanent closure of many restaurants and has significantly reduced revenues for those that remained open, with many establishments experiencing decreased revenues. To respond to these negative economic impacts, this program will provide operating grants to provide financial assistance in safe reopening and maintaining of business operations and recovery of employment opportunities in this industry."
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	12 Imp Travel tourism or hospitality sectors
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Grant funds may be used for any operational expense that the recipient deems necessary for continuation of operations, except the purchase of alcohol. Grantees must also retain normal business hours until December 31, 2021, and employ as much staff as financially feasible during this time.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The objective of the program was to support restaurants, food trucks, and food service establishments and encourage residents to support these businesses through a unique program called Taste of Cincinnati All Summer Long. The goal was to help these businesses overcome and survive the negative economic impacts of the COVID-19 pandemic.

Project Name: Public Museum Support

Project Identification Number	ARP013
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Completed
Adopted Budget	\$1,000,000.00
Total Cumulative Obligations	\$1,000,000.00
Total Cumulative Expenditures	\$1,000,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	"To respond to the devastating impacts of COVID-19, ArtsWave, shall design and carry out an economic support program for eligible nonprofit museums and nonprofit, non-commercial galleries. This involves distribution of operational relief that help rebuild Cincinnati's visual arts institutions in the wake of tens of millions in lost visitation, membership, rental and other revenue as a result of the pandemic."
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	12 Imp Travel tourism or hospitality sectors
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	"Funding for eligible organizations will be based on a review of financial conditions. Award amounts will be determined by a formula related to FY19 and FY20 actual expenses and FY20's revenue losses. ArtsWave shall promote this opportunity to its existing database of visual arts and cultural organizations as well as on its website and through social media. ArtsWave shall make an application available, at no cost to applicants, for interested and eligible organizations.

Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19

The ArtWave project is directly related to the negative economic impacts many industries dealt with during the height of the COVID-19 public health emergency. Most notably these negative economic impacts are loss of revenues and laying offs. This project will enable the City's vital museums and galleries to recoup losses from having to close their doors until safely being able to reopen. This project also enables these entities to rehire staff to pre-pandemic levels and possibly hire new staff.

Project Name: Social Services Operational Grants

Project Identification Number	ARP025
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.34-Assistance to Impacted Nonprofit Organizations (Impacted or Disproportionately Impacted)
Status To Completion	Completed 50% or more
Adopted Budget	\$2,000,000.00
Total Cumulative Obligations	\$2,000,000.00
Total Cumulative Expenditures	\$1,493,803.63
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	"Service Provider (United Way) will administer and manage the City's Non-Profit Hardship Fund for the benefit of eligible human services organizations. United Way will administer the Fund from August 1, 2021 through July 31, 2022. United Way will be reimbursed for its time and expenses to administer the Fund during the term of this Agreement. United Way shall provide eligible organizations who apply to the Fund with one-time operating grants in the amount equal to that which eligible organizations previously refunded, waived, or returned to the City from contracts executed with the City for fiscal year 2020 in response to the Covid-19 public health emergency."
What Impacted and/or Disproportionately Impacted population does this project primarily serve?	10 Imp NPs that experienced a negative economic impact specify
Secondary Impacted and/or Disproportionately Impacted populations	11 Imp Classes of NPs designated as negatively economically impacted
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Each agency received funding through the Human Services Fund. Due to the pandemic as a result of organization’s hardship, agencies were able to apply for ARP funding up the amount their City funds were reduced by.
Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	United Way shall provide eligible organizations who apply to the fund with one-time operating grants in an amount equal to that which eligible organizations previously refund, waived, or returned to the City from contracts executed with the City for fiscal year 2020 in response to the COVID-19public health emergency.
Number of Non-Profits served (by program if recipient establishes multiple separate non-profit assistance programs)	47

Project Name: CEAI

Project Identification Number	ARP016
Project Expenditure Category	2-Negative Economic Impacts

interventions	
Is a program evaluation of the project being conducted?	No
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	8 Imp SBs that experienced a negative economic impact
Secondary Impacted and/or Disproportionately Impacted populations	9 Imp Classes of SBs designated as negatively economically impacted
Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The impacts of COVID-19 have been crushing for small businesses. The Special Report on Women-Owned Small Businesses during COVID-19 from the U.S. Chamber of Commerce also found that women-owned small businesses have less optimistic revenue, investment and hiring plans compared to male-owned small businesses. Despite the challenges of the past year, people are more driven than ever to take the leap into entrepreneurship.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	About 64 percent of women business owners say their revenue has decreased because of COVID-19, according to research from Babson College's Diana International Research Institute. The National Bureau of Economic Research estimates that about 25 percent of women-owned businesses closed completely between February and April 2020, compared with about 20 percent of those owned by men.
Number of small businesses served (by program if recipient establishes multiple separate small businesses assistance programs)	15

Total Cumulative Expenditures	\$500,000.00
Current Period Obligations	\$500,000.00
Current Period Expenditures	\$500,000.00
Project Description	"Provide employment training services to unemployed workers to increase self-sufficiency and support program participants in preparing for attaining employment. This program is specifically designed to train youth in graphic design, environmental design and mural execution. After a year of successful employment through ArtsWave each participant will receive a completion certificate acknowledging proficiency in design and client management."
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations

Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The program is designed to employ the City's youth. Unemployment amongst the youth population rose 16% from 2019 to 2020. The program specifically includes job readiness and skills training. This includes mentoring, on-the-job learning/training and professional development. Each participant will also receive training to develop cover letters, resumes, portfolios, personal websites, networking, etc.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Assistance to Unemployed or Underemployed Workers (e.g. job training, subsidized employment, employment supports or incentives)

Project Name: Children's Hospital Expansion College Hill

Project Identification Number	ARP038
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.4-Prevention in Congregate Settings (Nursing Homes, Prisons/Jails, Dense Work Sites, Schools, Child care facilities, etc.)
Status To Completion	Completed 50% or more
Adopted Budget	\$2,000,000.00
Total Cumulative Obligations	\$2,000,000.00
Total Cumulative Expenditures	\$1,962,670.00
Current Period Obligations	\$1,962,670.00
Current Period Expenditures	\$1,962,670.00
Project Description	Cincinnati Children's Hospital is developing a new facility at its College Hill campus to expand and improve its mental health care capabilities for children and adolescents. Children's Hospital will design and construct the new facility appropriately to provide better treatment and better space for families; it will spend the American Rescue Plan resources from the City to assist with the plan and architectural design of the new facility at its College Hill campus. This new facility is necessary to address the effects of the Covid-19 pandemic and to prepare for the next mental health crisis. The City of Cincinnati is experiencing a pediatric mental health crisis.
What is the Total expected capital expenditure, including pre-development costs, if applicable	\$2,000,000.00

Is a program evaluation of the project being conducted?	No
Brief description of structure and objectives of assistance	The purpose of this capital expenditure is to increase the number of beds available for children in need of mental

program(s), including public health or negative economic impact experienced	health care. Currently children are waiting days for a bed which delays treatment. This new space will facilitate optimal care for these children.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The COVID-19 public health emergency has seen an increase of children and adolescent suicidal ideation tendencies. Cincinnati Children's Hospital College Hill Campus is a dedicated mental health facility in which an expansion will alleviate wait times and pressure on emergency rooms.

Project Name: Grant Us Hope

Project Identification Number	ARP036
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.14-Other Public Health Services
Status To Completion	Completed less than 50%
Adopted Budget	\$50,000.00
Total Cumulative Obligations	\$50,000.00
Total Cumulative Expenditures	\$50,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Hope Squad program seeks to reduce suicide and promote mental health among youth through evidence-based curriculum and peer-to-peer support. The Center for Disease Control has reported that since the pandemic, one in four young people surveyed reported considering suicide in the prior 30 days. This is up from one in 20 prior to COVID-19.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Grant Us Hope will implement Hope Squads in Cincinnati Public School junior high and high schools to address the youth mental health crisis, exacerbated by COVID-19. Hope Squad is a deep and embedded program with a multi-year curriculum, which focuses on empowering youth to learn how to more effectively identify their peers who are struggling, communicate with them effectively, and get them the help they need before it is too late.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The City of Cincinnati is currently facing a youth mental health crisis and suicide levels are at an all-time high. In fact, suicide is the leading cause of death for 10-14-year-olds in Ohio and the second leading cause of death for youth aged 10-19 nationally. The situation is even more dire for youth living in vulnerable populations. Youth living in a community in which more than 20% of households live below the poverty line are 37% more likely to try to die by suicide.

Project Name: CYC Youth Work Readiness

Project Identification Number	ARP079
Project Expenditure Category	2-Negative Economic Impacts

Project Expenditure Subcategory	2.37-Economic Impact Assistance: Other
Status To Completion	Completed 50% or more

Project Name: Kings & Queens

Project Identification Number	ARP070
Project Expenditure Category	3-Public Health-Negative Economic Impact: Public Sector Capacity
Project Expenditure Subcategory	1.11-Community Violence Interventions
Status To Completion	Completed 50% or more
Adopted Budget	\$20,000.00
Total Cumulative Obligations	\$20,000.00
Total Cumulative Expenditures	\$10,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	The Kings & Queens "Save Our Youth" (SOY) prevention and intervention program has a mission and vision to reduce gun violence in the City's most vulnerable communities, especially among the youth population. Cincinnati saw an increase in violence in 2020, and as such, there is a heightened need for crime awareness and prevention during the COVID-19 pandemic. 2020 was reported to be the deadliest year on record in the City, according to CPD. Youth participate in a 3-month program, with meetings held two times per month, where coordinated speakers will teach youth about black history and cultural competencies. The program engages up to 10-12 youth per session over a 12-week period. SOY will engage a data consultant to track positive outcomes for program participants.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	2 Imp Low or moderate income HHs or populations
Secondary Impacted and/or Disproportionately Impacted populations	15 Dis Imp HHs and populations residing in Qualified Census Tracts
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The primary goal of Save Our Youth (SOY) is to reduce gun violence on Cincinnati's streets and to give participating youth an alternative through facilitated activities and enrichment experiences. For the past five years SOY has offered select youth positive and safer life choices through paid summer employment, basic life skills development, life coaching, mentoring and character building.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Cincinnati, like other cities across the country, saw an increase in violence in communities in 2020, as such, there is a heightened need for crime awareness and prevention during the COVID-19 pandemic. Cincinnati was no exception to the national trends and found 2020 to be the deadliest year on record in the city, according to the Cincinnati Police Department. City data shows homicides were at an all-time high with 91 reported, a more than 26% increase from 2019.

Description	The City of Cincinnati is currently facing a youth mental health crisis and suicide levels are at an all-time high. In fact, suicide is the leading cause of death for 10-14-year-olds in Ohio and the second leading cause of death for youth aged 10-19 nationally. The situation is even more dire for youth living in vulnerable populations. Youth living in a community in which more than 20% of households live below the poverty line are 37% more likely to try to die by suicide.

Place of Performance Zip+4	
Description	The ArtWave project is directly related to the negative economic impacts many industries dealt with during the height of the COVID-19 public health emergency. Most notably these negative economic impacts are loss of revenues and laying offs. This project will enable the City's vital museums and galleries to recoup losses from having to close their doors until safely being able to reopen. This project also enables these entities to rehire staff to pre-pandemic levels and possibly hire new staff.
Subrecipient	CINTI INSTITUTE OF FINE ARTS
Period of Performance Start	8/19/2021
Period of Performance End	9/30/2021
Primary Sector	Other
Purpose of Funds	To respond to the devastating impacts of COVID-19, ArtsWave, shall design and carry out an economic support program for eligible nonprofit museums and nonprofit, non-commercial galleries. This involves distribution of operational relief that help rebuild Cincinnati's visual arts institutions in the wake of tens of millions in lost visitation, membership, rental, and other revenue because of the pandemic.

Subward No: 25x008

Place of Performance Zip+4	
Description	Food and beverage establishments are critical drivers of the City of Cincinnati's hospitality and tourism industries—supporting other businesses such as hotels and convention activities. COVID-19 forced permanent closure of many restaurants and has significantly reduced revenues for those that remained open, with many establishments experiencing decreased revenues. To respond to these negative economic impacts, this program will provide operating grants to provide financial assistance in safe reopening and maintaining of business operations and recovery of employment opportunities in this industry.
Subrecipient	Cincinnati USA Regional Chamber Foundation
Period of Performance Start	7/23/2021
Period of Performance End	8/31/2021
Primary Sector	grocery stores, restaurants, food production, and food delivery
Purpose of Funds	The objective of the program was to support restaurants, food trucks, and food service establishments and encourage residents to support these businesses through a unique program called Taste of Cincinnati All Summer Long. The goal was to help these businesses overcome and survive the negative economic impacts of the COVID-19 pandemic.

Report

Revenue Replacement

Is your jurisdiction electing to use the standard allowance of up to \$10 million, not to exceed your total award allocation, for identifying revenue loss?	No
---	----

2020

Base Year General Revenue	\$981,774,502.14
Year End Date	12/31/2019
Growth Adjustment Used	5.200%
Actual General Revenue	\$961,610,539.43
Estimated Revenue Loss Due to Covid-19 Public Health Emergency	\$71,216,237.82
Were Fiscal Recovery Funds used to make a deposit into a pension fund?	No
Please provide an explanation of how revenue replacement funds were allocated to government services	<p>The City of Cincinnati provides many governmental services that experienced significant losses in revenue during the pandemic. As of July 31, 2021, revenue replacement funds were used to restore revenue losses in areas such as Parks, Recreation, Parking, Residential Rental Programs, and Food Services. These government services include summer youth events, recreational activities for all ages, and food programs in some of the City's most disadvantaged neighborhoods to name a few. The Residential Rental Programs provide funding to ensure that persons who live in rental housing units are provided decent, safe, and sanitary housing. The City also provided childcare at the recreation centers when daycares were mandated to shut down. Although the City continued to provide these services, revenue collections for events, summer programs, application fees, etc. did not cover the cost.</p>
